

## Hope This Meteoric Rise Does Not Become a Bubble

The Indian stock market is booming. The share price index is repeatedly breaking records. Around 30 stocks have given 100 per cent returns since February 2021. The enthusiasm of investors can be gauged from the fact that in the first two months of the current financial year alone, 44.7 lakh retail investors have opened their demat accounts. So does the stock market reaching record highs represent the hope of the investors about the Indian economy?

## Reclaim the Republic @ 75

**Press Release | August 16, 2021**  
It has been 75 years since what we called our "tryst with destiny". The 75th year ought not to be a time just for mindless celebrations and pomp and splendour. It is a time to reflect, introspect and evaluate ourselves. Have we been able to inherit the destiny we had set for ourselves in our Constitution? Have we been able to live up to the goals for which our freedom fighters and revolutionaries sacrificed their lives? [Read more.](#)
